THE BUGGY THAT  
WILL GO  
EVERYWHERE  
YOU GO

The CONCORD WANDERER all-rounder buggy will go everywhere you go, whatever the terrain. It is equipped with robust, wear-resistant tyres, shock cushioning on all wheels and a special elastomer suspension on the back wheels. As a result, the CONCORD WANDERER always guarantees a safe, quiet ride – not only on asphalt but also on unsurfaced woodland paths. The aluminium frame with its mountainbike look is an expression of the buggy's sporty characteristics. This all-round buggy combines practical functionality with highly comfortable seating.

The spacious seat offers the child plenty of room and can be used both forward and rear-facing. The long back section is adjusted in a single operation and can be moved to an almost horizontal position, allowing the child to lie comfortably outstretched. The extra large sun shade can be combined with an additional sun sail to offer optimum protection against the sun's rays. The buggy and its seat fold down compactly for transportation. All in all, the simple and straightforward operating concept ensures the CONCORD WANDERER buggy is second to none.

- Robust tyres with excellent wear resistance and solid foam core
- Cushioning on all wheels to ensure a comfortable ride
- Elastomer suspension on the rear wheels; absorbs vibration and smoothes out uneven terrain
- Long back section can be adjusted into the reclining position in a single operation
- Seat can be used both in a forward- and rear-facing position
- Mountainbike-style frame
- Aluminium components for a high-quality, stylish look
- Reflectors on the front wheel, back wheel and handlebar: unobtrusive by day, visible at night
- Very large sun shade can be combined with an additional sun shield to ensure optimum protection
- Straightforward, practical operating concept
- Buggy and seat can be folded up compactly, dimensions when folded
- Includes universal rain cover, which can also be used with SLEEPER 2.0, SCOUT or SNUG components (not shown)
