concord®

JUST ADD LIFE

■ CHILDREN'S PRODUCTS TO MAKE LIFE EASIER.

Bringing up a child is a very responsible job – and, at the same time, the most wonderful experience in the world. For more than 30 years, CONCORD has been committed to supporting parents and children as they go about their daily lives. Today, our three product areas, DRIVING, MOVING and LIVING, not only offer parents child car seats, but also buggies and TRAVEL SYSTEMS, as well as children's furniture.

Once again this year, CONCORD has a number of exciting new products and advanced developments in its product range – from the CONCORD AIR baby car seat and TRANSFORMER CLICK, the latest successful model in our TRANSFORMER series, to new, fully equipped buggy sets.

CONCORD stands for brand quality from Germany, which means that each individual product is developed in Germany to strict quality standards. In addition to their high quality and intrinsic value, CONCORD products feature sophisticated functionality and high design quality. This is proven time and again in various consumer protection and safety tests, as well as by a number of design awards.

With CONCORD, parents and children are perfectly equipped everyday.

■ DRIVING

Children look at the world and see wonderful things to discover. In CONCORD child car seats, parents and children will be comfortable with the knowledge that safety is number 1 priority. They provide children with optimal protection and maximum comfort while making life easier for their parents. The best example: the CONCORD AIR baby car seat – the lightest of its type.

// CONCORD AIR

■ EXPERIENCE AND INNOVATION:
CONCORD CHILD CAR SEATS.

CONCORD has been developing and manufacturing car seats for 30 years. Our experience and comprehensive knowledge of function and design go into making each individual car seat model. Parents and children can rest assured that CONCORD car seats make no compromises as far as safety, functionality and quality are concerned. An ergonomic design, comfortable features and high-quality materials ensure the highest level of comfort when travelling. The car seats are easy to use and include many practical details, which will prove their value during everyday use.

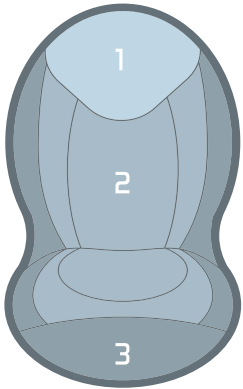

EXEMPLARY:
THE CONCORD LEVEL OF SAFETY.

From the design stage to production, safety is a top priority at CONCORD. Each seat model is tested during in-house crash tests and we are continually looking for new improvements and developments. Top marks in all of the most important safety tests – like the current ones for TRANSFORMER CLICK – testify to the high safety standards of our child car seats. The CONCORD ABC of safety gives parents valuable tips on the correct installation and use of seats and on child safety in the car.

WELL DESIGNED:
THE CONCORD TRIZONE CONCEPT.

The CONCORD TRIZONE material concept means the seat covers are perfectly equipped to meet every demand. Materials are soft and fleecy in the head area, especially kind to skin and breathable in the bottom and back area, and robust and easy to clean in exterior areas that are subject to the most stress.

HIGH QUALITY:
TESTED MATERIAL QUALITY.

All the materials we use are stringently tested during CONCORD's quality assurance process according to EC 300 criteria. Many products additionally carry the GS seal for tested safety awarded by the neutral testing centre "TÜV-Süd". CONCORD covers are free from hazardous materials and toxic substances – this has recently been confirmed again by "Stiftung Warentest" in tests conducted on the TRANSFORMER CLICK model.

COMPREHENSIVE:
THE CONCORD SYSTEM – THE RIGHT SEAT FOR EVERY AGE.

With its complete, universal seat system, CONCORD has the right car seat for children of every age group. Each one of our car seat models is ergonomically designed to suit each respective stage of growth and development. Our seats will accompany your child in safety and comfort – from birth to 12 years old.

// CONCORD NEO

MOVING

Parents want their children to feel safe and well looked after when they are in motion. Our buggies and TRAVEL SYSTEMS give them this wonderfully secure feeling. From the very first day, whether in sitting or reclining position, they provide children with complete comfort on the move. Lightweight, compact, handy and particularly versatile, they are the ideal answer to the requirements of our mobile world.

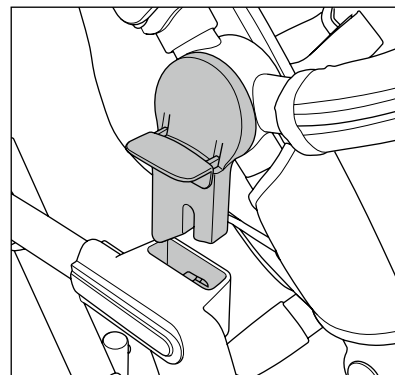

MOVING / TRAVEL SYSTEM

SYSTEMATIC MOBILITY: CONCORD BUGGIES AND MORE.

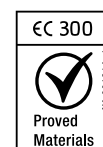

CONCORD offers the MOVING programme for flexible solutions to keep you mobile in every situation. CONCORD NEO and CONCORD FUSION are designed as TRAVEL SYSTEM buggies to fit a range of TS components. Each buggy comes with a large number of practical accessories.

EASY TO SWITCH AND HIGHLY VERSATILE.

Thanks to the TRAVEL SYSTEM adapter, CONCORD NEO and CONCORD FUSION buggies can easily use various TS components. They can be attached and detached with absolute ease in a single operation. Combined with the carrycot or baby carrier, the buggy becomes a real pushchair, usable from the first day. The baby car seat, too, can be transferred straight from the car to the buggy. For parents this means greater freedom of movement – any time, any place.

The TRAVEL SYSTEM adapter makes switching TS components fast and simple.

HIGH QUALITY: FUNCTIONAL MATERIALS, TESTED QUALITY.

CONCORD uses exclusively high-quality, child-friendly materials for its buggies, carrycots and baby car seats – materials chosen to fulfil their function perfectly. All the materials are stringently tested during CONCORD's quality assurance process according to EC 300 criteria. Many products additionally carry the GS seal for tested safety awarded by the neutral testing centre "TÜV-Süd". CONCORD covers are free from hazardous materials and toxic substances.

PRACTICAL: WITH INTEGRATED SUN PROTECTION.

CONCORD buggies and TS components are equipped with UV-repellent materials. With sun canopies providing 50+ UV protection, baby is ideally protected against harmful radiation.

NEO

INNOVATIVE TECHNOLOGY, PURE DESIGN.

Sporty buggy with sophisticated chassis for perfect road holding and high manoeuvrability; extremely small folding dimensions and easy to transport.

WEIGHT: **10.6 KG**
DIMENSIONS WHEN OPEN: **L 84 X W 61 X H 110 CM**
FOLDING DIMENSIONS: **L 74 X W 61 X H 39 CM**

The buggy comes with a buggy bag and a rain cover.

- 1** Innovative Y-FRAME front axle
- 2** Large luggage net, ample storage space
- 3** High sitting position: also suitable for use on a table; seat can be used in forward-facing or rear-facing position
- 4** Parking brake on handle, easy, one-hand operation

// NEO + AIR

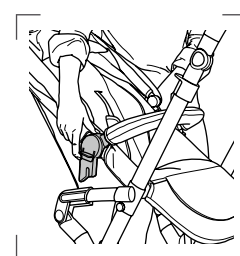

// NEO + SLEEPER 2.0

NEO / TRAVEL-SET

The NEO TRAVEL-SET consists of the CONCORD NEO buggy and two coordinated TS components. The CONCORD SLEEPER 2.0 carrycot and the ultra-light CONCORD AIR baby car seat can be attached to the buggy in a single operation, thanks to the TRAVEL SYSTEM adapter. And the NEO TRAVEL-SET includes a practical parasol.

All sets with article numbers on page 52.

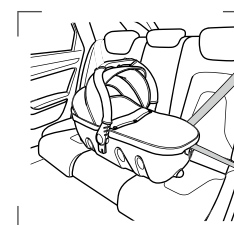

// BUGGY NEO

Every buggy comes with: a BUGGYBAG for everything parents and children need when out and about. With the rain cover, the child enjoys the best possible protection from rain.

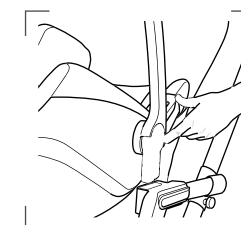

// CARRYCOT SLEEPER 2.0

The stable SLEEPER 2.0 carrycot is easily and quickly attached to the CONCORD NEO buggy. It is also certified for use across the back seat of a car (Group 0 / 0 – 9 months).

// BABY CAR SEAT AIR

With the TRAVEL SYSTEM adapter, the AIR baby car seat can be attached to the CONCORD NEO buggy in a single operation. Its low weight of only 2.9 kg means it can be carried and transferred from car to buggy effortlessly.

// PARASOL SUNSHINE

Also included in the NEO TRAVEL-SET: The SUNSHINE parasol protects the baby from direct sunshine. Attaching to the buggy quickly and easily, it features a flexible central pole.

NEO / MOBILITY-SET

The NEO MOBILITY-SET consists of the CONCORD NEO buggy and two coordinated TS components. The CONCORD SCOUT folding carrycot and the ultra-light CONCORD AIR baby car seat can be attached to the buggy in a single operation, thanks to the TRAVEL SYSTEM adapter. And the NEO MOBILITY-SET includes a practical parasol.

All sets with article numbers on page 56.

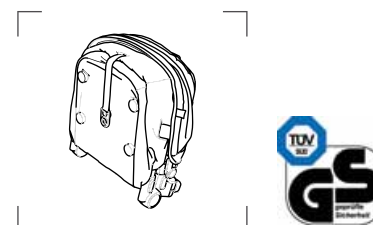

// BUGGY NEO

Every buggy comes with: a BUGGYBAG for everything parents and children need when out and about. With the rain cover, the child enjoys the best possible protection from rain.

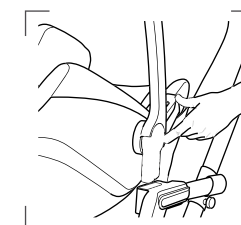

// FOLDING CARRYCOT SCOUT

The SCOUT folding carrycot turns the CONCORD NEO buggy into a pushchair. Its central hinge means it can be folded up extremely small; baby enjoys maximum comfort and well-being – at home and on the move.

// BABY CAR SEAT AIR

With the TRAVEL SYSTEM adapter, the AIR baby car seat can be attached to the CONCORD NEO buggy in a single operation. Its low weight of only 2.9 kg means it can be carried and transferred from car to buggy effortlessly.

// PARASOL SUNSHINE

Also included in the NEO MOBILITY-SET: The SUNSHINE parasol protects the baby from direct sunshine. Attaching to the buggy quickly and easily, it features a flexible central pole.

FUSION

THE COMFORTABLE ALL-ROUNDER

Classic buggy with proven functionality, equipped for comfort; the wide wheelbase provides a comfortable ride on every terrain.

WEIGHT: 11.7 KG
DIMENSIONS WHEN OPEN: L 108 X W 63 X H 106 CM
FOLDING DIMENSIONS: L 44 X W 49 X H 77 CM

The buggy comes with a buggy bag and a rain cover.

- 1** Comfortable, roomy seat; integrated wind protector for the legs
- 2** Extra-large sun canopy with UV 50+ protection
- 3** Robust aluminium front-wheel suspension with wheels that turn 360°
- 4** Ample storage space, extra-large luggage basket

// FUSION + INTENSE

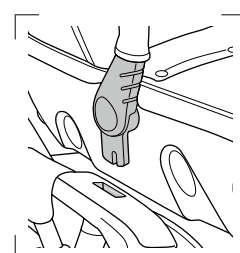

// FUSION + SLEEPER 2.0

FUSION / TRAVEL-SET

The FUSION TRAVEL-SET consists of the CONCORD FUSION all-round buggy and two TS components that complement each other well. The CONCORD SLEEPER 2.0 carrycot and the ergonomic CONCORD INTENSE baby car seat can be attached to the buggy in a single operation, thanks to the TRAVEL SYSTEM adapter.

All sets with article numbers on page 62.

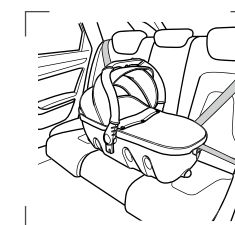

// BUGGY FUSION

Every buggy comes with: a BUGGYBAG for everything parents and children need when out and about. With the rain cover, the child enjoys the best possible protection from rain.

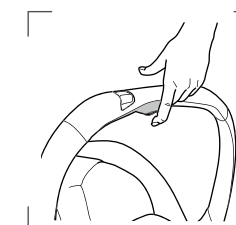

// CARRYCOT SLEEPER 2.0

The stable SLEEPER 2.0 carrycot is easily and quickly attached to the CONCORD FUSION buggy. It is also certified for use across the back seat of a car (Group 0 / 0 – 9 months).

// BABY CAR SEAT INTENSE

The INTENSE baby car seat features a TRAVEL SYSTEM adapter so it can be attached to the CONCORD FUSION buggy in a single operation. The exceptionally ergonomic pelvic support adjusts to 6 seating angles.
