THE SMALL, LIGHTWEIGHT TRAVEL HIGH CHAIR

Small, compact and ideal for taking away with you. The CONCORD LIMA travel high chair combines functionality suitable for children with a clean contemporary design. It can be attached to any normal chair in a single operation – enabling the child to be fully integrated into the family. The fittings take into account the requirements of parents and child alike, from the soft padded washable covers, to the integrated lap belt and the removable tray. The high chair can be quickly and easily folded up. Small, compact and convenient, the CONCORD LIMA is ideal for taking away with you.

- Can be quickly and easily attached to any chair
- Lap strap to keep the child safe
- Seat made of crafted wood
- Anodised aluminium tubes
- Easily removable tray (not shown)
- High-quality cover, particular soft padding and washable
- Easy to fold up and therefore easy to transport
- Extremely small folding dimensions
