_ 概述

_ 感谢!

感谢您选择了Concord优质产品。这款产品的适用性和安全性一定会赢得您的信赖。愿您使用愉快。

_ 须知

注意!

- 在使用前请仔细阅读本说明书，并且请妥善保存供以后参照。如果不按照本说明书可能会影响儿童的安全。同时必须遵守汽车说明书中有关儿童乘坐的注意事项。

警告!

- 不要将儿童在无人照看的情况下放置在儿童约束系统内。
- 儿童有时会在衣服或裤子口袋中放东西(如玩具)，或穿戴带有硬物(如带扣)的衣服。一定要保证这些物品不要夹在儿童与安全带之间——发生事故时这些物品可能会造成不必要的伤害。成年人也会发生这种情况!
- 儿童天性活泼好动。因此，你应该耐心向孩子解释使用儿童约束系统的重要性。必须使儿童明白，不可以乱动安全带，不要打开带扣。
- 只有在本儿童安全座椅正确安装和使用的情况下，儿童的安全才能得到最大的保障。
- 儿童约束系统的每条与车辆连接的织带应系紧，约束儿童的织带应根据儿童的身体进行调整，织带不得扭曲。
- 如果儿童约束系统的表面覆盖层不是纺织物，请远离阳光照射，否则座椅表面会烫伤儿童皮肤。
- 必须按照说明书放置和安装刚性部分和塑料部件，以确保在正常的车辆使用中，儿童约束系统不被车里的活动座椅或车门卡住。

- 没有认证许可的产品和经过改装的产品是危险的，并且附近没有制造商提供的安装说明也是很危险的。请将说明书保存在说明书存放盒中。
- 当遭受剧烈的事故后，约束系统应更换。
- 你应该告诉乘客在发生意外或事故时移走儿童的方法。
- 在碰撞事故中易造成伤害的行李和物品应被妥善安放。
- 只有在适用车型配备了通过GB14166或 ECE R16 要求的3点式安全带情况下才适用。
- 腰带非常重要，要保证腰带佩戴时能很好地约束骨盆部位。
- 没有面套的儿童约束系统不能使用；系统面套必须使用Concord认可的配件。面套材料影响儿童约束系统总体的性能。
- 不可以使用除标示出的以外的任何其它受力点。
- 仅可使用Concord认可的原装配件。否则，所有的保修及赔偿要求失效。

由于CONCORD TRANSFORMER的使用周期很长，面套和其他使用过的部件自然会根据使用时间长短和频率而受到不同程度的磨损，必须更换。因此，不可能为易损件提供超出六个月的质保期。如需购买，请联系当地的婴童用品专卖店、百货商店专柜、汽车配件中心或邮购公司。在这些地方有可能买到CONCORD儿童安全座椅的全系列配件。

汽车安全带扣具不得位于成人安全带腰带导向标识的边缘上方。对此如有疑问或仍不确定，请与CONCORD取得联系。成人安全带的路径必须经过使用说明规定的儿童约束系统的接触点和部位。不得按任何其他路径安装安全带。

如果所用的车辆座椅前面有气囊，建议车辆座椅的位置要尽量向后。对于具有正面和侧面气囊的汽车来说，安装儿童约束系统时必须遵守汽车使用说明中的要求。成人安全带肩带必须从车辆肩带固定点向前穿过成人安全带肩带导向机构(06)。如有必要可调节车辆座椅位置。

_ 使用CONCORD TRANSFORMER

为了孩子的安全，你购买了CONCORD TRANSFORMER儿童安全座椅。本产品是在严格的质量控制下制造的。只有正确使用才能最大程度地发挥本产品的安全效能，所以你一定要严格遵守以下安装和使用要求。

本儿童约束系统可以在配备了通过GB 14166或ECE R16 要求的3点式安全带的车辆座椅上使用。统计数据表明，副驾驶座位后的座位是汽车上最安全的位置。

面套是重要部件之一，严重影响儿童约束系统总体的性能。因此，本座椅只能使用原厂面套！

_ 安装CONCORD TRANSFORMER

面向行驶方向，把CONCORD TRANSFORMER放在车辆座椅或长条座椅上面。CONCORD TRANSFORMER要与汽车座椅保持对齐。在具有标准头枕的汽车中，可以调整或取下头枕，使安装儿童座椅更方便。请注意，当取下儿童安全座椅，成年人乘车时，汽车头枕必须安装并调整好。

即使儿童安全座椅上没有儿童，在没有妥善固定的情况下，将儿童安全座椅放置在汽车上也是不安全的。否则在旅途中或发生意外时，乘客有可能受伤。因此，行驶过程中要用安全带固定好。

_ 安装带TWINFIX的CONCORD TRANSFORMER

按下TWINFIX按钮(09)，同时完全拉出儿童安全座椅背后的TWINFIX连接装置(10)。

面向前方把CONCORD TRANSFORMER放在配备ISOFIX固定装置的车辆座椅或长条座椅上。

将TWINFIX连接装置(10)推向汽车中的ISOFIX固定装置，直至锁止机构发出咔嗒声(表示锁止到位)。

向前拉TWINFIX中央拉带(08)，推动CONCORD TRANSFORMER向后移动，直至儿童安全座椅尽量靠近汽车座椅靠背或与之保持紧贴。

在具有标准头枕的汽车中，为了方便儿童安全座椅的安装，可以调整或取下头枕。请注意，移除此儿童安全座椅，成年人乘车时，汽车头枕必须安装并调整好。

注意!

- TWINFIX是固定CONCORD TRANSFORMER用的附加配合装置，不能约束儿童。
- 儿童必须用车辆的成人安全带约束。

卸除带TWINFIX的CONCORD TRANSFORMER

拆卸CONCORD TRANSFORMER时，按压TWINFIX按钮(09)，将儿童安全座椅拉到最前端。

拉红色拉带，打开TWINFIX连接装置(10)上的锁止机构，安全钩会打开，并且TWINFIX连接装置会脱出。

向前拉出TWINFIX中央拉带(08)，直至TWINFIX连接装置(10)完全缩回。

你还可以用手将TWINFIX连接装置(10)继续向儿童安全座椅底座里面推。

TWINFIX适用的车辆

要了解适用于CONCORD TWINFIX系统的车辆及车辆座椅，请参考《TWINFIX适合安装车辆清单》

如果没有列出你的汽车型号，购买前，请确认CONCORD TRANSFORMER可以正确地安装在你的车辆座椅上！
请认真阅读汽车厂家提供的用户手册以及本用户手册中的安装和安全事项。

最新更新请访问www.concord.de。

使用安全带保护儿童

让儿童尽量座在车辆座椅靠后的位置。成人安全带绕过儿童正面，到达成人安全带带扣，然后扣好成人安全带（必须听到咔嚓声）。

现在调整安全带。让腰部安全带经过两侧的成人安全带腰带导向标识，车辆安全带带扣一侧的斜拉安全带，要通过同侧的成人安全带腰带导向标识位置(03)。

最后，让肩部安全带穿过成人安全带肩带导向机构(06)。

肩带必须推入肩部导向机构里面，被锁扣锁住。

松开尺寸调整按钮(04)，CONCORD TRANSFORMER的位置就固定了。

根据儿童体型，CONCORD TRANSFORMER具备20种可调节的尺寸。持续按住靠背后面的尺寸调节控制按钮(04)，并向上或向下移动，直到头枕(01)移动到所需位置。

成人安全带肩带导向机构(06)应略高于儿童肩膀顶部。同时，肩部安全带应通过儿童颈侧与肩部外缘之间的中间位置。

儿童约束系统的每条与车辆连接的织带应系紧，约束儿童的织带应根据儿童的身体进行调整，织带不得扭曲。成人安全带的腰带要尽量放低。如果你的汽车配备了成人安全带高度调节器，可相应调整其高度。

想让孩子离开儿童安全座椅，只需打开带扣，使约束孩子的安全带缩回就可以了。要从导向机构上取下肩部安全带，按下肩带导向机构按钮(05)，向前将安全带拉出。

每次使用儿童安全座椅时一定要确保成人安全带正确安装。安装方面如有任何疑问，请与CONCORD联系。
安全带必须经过座椅上红色标记的导向标识。不得选择其他方式安装安全带。

基本说明

- 这是“通用类”儿童约束系统，符合GB27887-2011，及ECE R44/04 标准。作为通用类儿童约束系统，适合大多数，而不是全部的汽车座椅。
- 该儿童约束系统，属于 II 及III类质量组，适合于3-12岁、体重15-36公斤的儿童。
- 如果汽车制造商在使用手册中注明可以让适用此年龄段的“通用类”儿童约束系统配合的话，那么更容易达到正确的匹配。
- 如有疑问，请咨询儿童约束系统制造商或零售商。
- 只有在适用车型配备了通过GB14166或ECE R16 要求的3点式安全带情况下才适用。

面套护理

面套可以拆下来清洗。

首先，要将头枕(01)升至最高处。然后，解开面套与主体的连接点。移除面套的顺序：先移除头枕部分(01)，然后是座垫部分，再是护肩部分(02)。

清洗前，要先卸除面套护肩部分(02)的泡沫塑料。

- 受潮尤其是清洗后，面套面料可能会轻微褪色。
- 请勿使用溶剂！

重装面套时，应从座垫部分开始。首先，将面套套在靠背的罩板上，然后从前面将其罩到扶手和座椅上。接着将面套固定在各连接点上。

再安装面套的头枕部分(01)。

将有标识的泡沫塑料放进护肩(02)面套对应标识的插袋内。然后将面套用护肩部分(02)。

面套和泡沫塑料不得装反，装错。

_ 保修

保修自购买当日生效。

保修期时限遵照本产品各最终消费国的法定期限。保修内容包括修理、更换零件及折价，具体由制造商视情形而定。

原始购买用户方可享受保修。产品如发生损坏，应于第一时间通知经销商，经销商认定后方可享受保修。若该问题无法由经销商解决，则由经销商将产品连同详细故障说明及标明购买日期的正规购买凭证寄回制造商处。制造商对于非其提供的产品出现的损坏恕不承担责任。

发生以下情形时，保修将失效：

- 产品经过改装。
- 产品出现问题后未在14天内将产品连同购买凭证送至经销商处。
- 由于用户操作或保养不当，或其它方面的失误，特别是因未遵守使用说明书的规定而造成的产品损坏。
- 产品由第三方进行维修。
- 由于事故产生的损坏。
- 序列号已被损毁。

由于正常使用导致的产品正常的状态改变或折旧（磨损）均不在保修之列。制造商若在保修期内进行维修，保修期并不因此而延长。

_ OVERVIEW

_ THANK YOU!

We are delighted that you have chosen a quality Concord product. You are sure to be convinced by this product's versatility and safety. We hope you enjoy using your new CONCORD TRANSFORMER.

_ NOTES

ATTENTION!

- Please read the instructions for use thoroughly before using the CONCORD TRANSFORMER and keep them carefully for later reference. Not following the instructions described herein can put the safety of the child at risk! Please also note the instructions in the car's operating manual for transporting children in a car.

WARNING!

- Do not leave your child unattended.
- Children sometimes have items in their jacket or trouser pockets (e.g. toy) or wear hard items that are attached to their clothes (e.g. belt buckle). Make sure that these items do not get between the child and the safety belt – they could cause unnecessary injuries in the event of an accident. These hazards also apply to adults!
- Naturally children can often be very lively. You should therefore explain to children how important it is to always be safely fastened in. Children must understand that they should never change the way the belts are positioned, and never open the buckle.
- Only if safety equipment is correctly installed and used can your child enjoy maximum safety.
- The system straps must be fitted tautly and without twists and must be protected against damage.
- Protect those parts of the CONCORD TRANSFORMER that are not covered in fabric from direct sunlight to avoid your child being burned.
- The child restraint system must not be damaged or trapped by moving parts in the car interior or by doors.
- Never modify the CONCORD TRANSFORMER in any way – this will endanger your child's safety.

- After an accident the CONCORD TRANSFORMER must be replaced or returned to the manufacturer for testing, along with a report of the accident.
- You should also tell your passenger how to remove the child in the event of an accident or danger.
- Do not leave your child in the child car seat unsupervised whether strapped in or not.
- Secure luggage and other items to reduce the risk of injury in the event of an accident.
- The user instructions must always accompany the child car seat.
- The use of accessories and replacement parts is not permissible and shall lead, in the event of contravention, to the expiry of all claims under the warranty and of all liability claims. Only special CONCORD original accessories are excluded.
- Suitable for cars with three-point (lap and diagonal) seat belts tested in accordance with ECE Regulation 16 or a comparable standard.

As the period of use for the CONCORD TRANSFORMER is very long, it is natural that seat covers and other used parts will each receive different degrees of wear and tear depending on the individual duration and intensity of use and will need to be replaced. For this reason it is not possible to give a blanket warranty of durability extending beyond a six-month warranty period. For additional purchases, please contact your local specialist child and baby shop, specialist departments in department stores, a car accessories centre or mail order companies. There you will also be able to buy the full range of accessories for CONCORD child car seats.

The buckle of the vehicle safety belt must not come above the edge of the lap belt guide. If in doubt or if you are still uncertain, please contact CONCORD. The belts may only be routed via the points of contact and the positions on the seat stated in the user instructions. Belts must not be routed in any other way.

If the car seat used has a front airbag, we recommend positioning the car seat as far back as possible. For cars with front and side airbags, the instructions in the car's operating manual must also be observed. The car's shoulder/diagonal belt must pass forwards from the vehicle bracket to the shoulder belt guide (06). Adjust the car seat position if necessary.

_ USING THE CONCORD TRANSFORMER

You have decided to purchase our CONCORD TRANSFORMER seat for the safety of your child. This product is manufactured under strict quality controls. It can only effectuate its maximum safety properties if it is used properly. The cover is an important component and contributes to the seat's effectiveness; for this reason the seat must only be used with its original cover! You should therefore ensure that you follow the instructions for fitting and use carefully.

The seat may be used on any seat in your car that is fitted with a three-point seat belt. Statistics suggest that the place behind the passenger seat is the safest in the car.

_ INSTALLING THE CONCORD TRANSFORMER

Place the CONCORD TRANSFORMER on the car seat or bench seat, facing in the direction of travel. The CONCORD TRANSFORMER should lie flush with the seat. In cars with standard headrests, these may be adjusted or removed to make it easier to install the child car seat.

Please note that the car headrests must be replaced and re-positioned correctly when an adult is travelling in the car.

The seat may not be transported unsecured in the vehicle, even if there is no child passenger. Otherwise passengers risk injury during the journey or in the event of an accident. For this reason, the belt must always be fastened when travelling.

_ INSTALLING THE CONCORD TRANSFORMER WITH TWINFIX

Push the TWINFIX button (09) down and simultaneously pull out the TWINFIX adapters (10) on the back of the child seat to their full extent.

Position the CONCORD TRANSFORMER facing forwards on the vehicle seat or bench fitted with ISOFIX points.

Push both TWINFIX adapters (10) on to the ISOFIX points in the vehicle until the locking mechanisms have clicked audibly into place.

Pull the TWINFIX central strap (08) forwards and guide the CONCORD TRANSFORMER back until it lies as close/flush as possible to the car seat backrest.

In cars with standard headrests, these may be adjusted or removed to make it easier to install the child car seat. Please note that the car headrests must be replaced and re-positioned correctly when an adult is travelling in the car.

ATTENTION!

- TWINFIX is an additional fitting system for securing the CONCORD TRANSFORMER and is not suitable for securing a child.
- Children must always be secured by means of the car's three-point safety belt.

_ REMOVING THE CONCORD TRANSFORMER WITH TWINFIX

To remove the CONCORD TRANSFORMER, press the TWINFIX button (09) down and move the seat fully forwards.

Now open the lock of the TWINFIX adapters (10) so that the safety hooks open and the adapters pop out.

Pull the TWINFIX central strap (08) forwards until the TWINFIX adapters (10) are fully retracted!

You can also push the TWINFIX adapters (10) further into the seat by hand!

_ VEHICLES SUITABLE FOR TWINFIX

Please refer to the additional "CAR FITTING LIST" leaflet for an overview of cars and vehicle seats compatible with the CONCORD TWINFIX system at the time your child seat was manufactured.

For a continuously updated version, please visit www.concord.de.

_ SECURING THE CHILD WITH THE THREE-POINT BELT

Seat your child well back in the seating area. Pass the three-point belt across the front of the child to the seat belt lock, and fasten it in the same way as for an adult. (There must be an audible click.)

Now position the belts. Pass the lap belt across both sides and the diagonal belt on the side of the seat belt lock through the lap belt guide (03).

Finally, pass the diagonal belt through the provided shoulder belt guide (06).

Make sure the belt passes inside the securing hook.

The CONCORD TRANSFORMER has 20 settings to adjust to the size of the child. Press the size adjustment control knob (04) at the rear of the CONCORD TRANSFORMER's backrest, and

move the head rest (01) into the correct position, while pressing and holding control knob (04). The CONCORD TRANSFORMER is arrested in place, when you release control knob (04).

The shoulder belt guide (06) should be slightly above the top of the child's shoulder. At the same time, the shoulder belt should pass centrally between the child's neck and the outer edge of the shoulder.

Pull the belt taut so that the lap belt and diagonal belt are well positioned and ensure that the belts are not twisted. The lap belt should be in the lowest possible position. If your vehicle is fitted with a seat belt height adjuster, adjust its height accordingly.

When you wish to release the child from the seat, all you need to do is open the lock and pass the strap back across the child. To remove the shoulder belt from the guide, press the shoulder belt locking button (05) and pull the belt forwards and out.

It is important to ensure that the belts are always correctly positioned each time the seat is used. If in doubt about any aspect of fitting, check with CONCORD.

The belts must pass through the guides marked in red on the seat. Belts must not be routed in any other way.

— GENERAL INFORMATION

- This is a “universal” child restraint system. It is approved for general use in vehicles in accordance with ECE Regulation 44, Amendment 04 and fits most, but not all, passenger vehicle seats.
- This child restraint system from ECE groups II and III is suitable for children from 3–12 years weighing 15–36 kg.
- It can be assumed that the system will fit correctly if the vehicle manufacturer states in the vehicle manual that the vehicle is suitable for the installation of a “universal” child restraint system for the relevant age group.
- This child restraint system has been classified as being of the “universal” class, satisfying stricter conditions than previous models which do not bear this label.
- If in doubt, please consult the manufacturer of the child restraint system or the retailer.
- Only suitable for vehicles with three-point (lap and diagonal) seat belts tested and approved in accordance with ECE Regulation 16 or a comparable standard.

_ CARE INSTRUCTIONS

The cover can be removed for washing. To do so, move the head section (01) to its highest position. To remove, pull the cover away from its anchoring points. Begin by removing the head section (01) followed by the seat section and the shoulder shields (02).

Remove the styrofoam parts from the covers in the shoulder area (02) before washing.

- When they come into contact with moisture, especially during washing, the cover fabrics may fade slightly.
- Do not use solvents!

To replace, start with the cover for the seat section. Firstly, pull the cover over the cover panel on the backrest, and then, from the front, pull it over the armrests and seat section.

Secure the cover using all of the fastening points.

Attach the cover for the head section (01).

Place the matching styrofoam parts into the marked pocket on the inside of the covers for the shoulder area (02). Now pull the covers over the protectors for the shoulder area (02).

The covers and styrofoam parts must not be reversed!

_ GUARANTEE

The guarantee begins on the day of purchase. The guarantee period corresponds to the statutory warranty period in the end-user's country concerned. At the manufacturer's discretion, the guarantee shall cover rectification, replacement or a price reduction.

The guarantee is valid for the original purchaser only. In the event of any defect, claims can not be considered unless the specialist dealer is notified of the fault as soon as it occurs for the first time. If the specialist dealer is unable to remedy the problem himself, he must return the product to the manufacturers together with details of the complaint, official proof of purchase and the purchase date. The manufacturers assume no liability for faulty goods that they did not supply.

The guarantee does not apply where:

- the product has been modified;
- the product is not brought back to the specialist dealer complete with proof of purchase within 14 days of the defect occurring;
- the defect was caused by improper usage or maintenance or due to anything else deemed to be the fault of the user, in particular failure to comply with the instructions for use;
- repairs have been carried out on the product by third parties;
- the defect was caused as the result of an accident.
- the serial number has been damaged or removed

The guarantee makes no provision for any alteration or deterioration to the product that is incurred through normal usage (wear and tear). The period of guarantee shall not be extended by any remedial measures carried out by the manufacturers in the event of a claim.
