

NEO TRAVEL-SET

The set contains practical accessories as standard: with a rain cover and an awning, you're equipped for all weather

TOTAL FLEXIBILITY WHEREVER YOU GO

The NEO TRAVEL SET is ideal for parents with no time to waste. Thanks to the buggy and its matching TS components your need for freedom knows no limits. The CONCORD NEO buggy is the epitome of advanced technology and design and is exceptionally versatile. Combined with the CONCORD SLEEPER 2.0 carrycot it is transformed into a comfortable pushch AIR.SAFE in a single operation. The carrycot is additionally approved for use in the car, positioned crosswise on the back seat of the vehicle. Whether at home, out and about with the buggy or in the car – your baby stays undisturbed in the comfort to which he or she is accustomed. The CONCORD AIR.SAFE baby car seat is also multifunctional. Inside the car it provides the highest level of safety, and for a trip to the shops or a walk in the park it can be attached conveniently to the buggy in just a single, one-handed operation.

- Perfect road holding and high manoeuvrability
- Innovative Y-FRAME front axle
- Central torsion suspension
- Independent wheel suspension
- Seat can be used both in a forward- and rear-facing position
- Adjustable seat inclination
- Ideal seat height for use at table
- TRAVEL SYSTEM adapter: enables the seat and TS components to be changed easily and quickly
- Extra-large, adjustable sun canopy made of high-quality, 3D stretch fabric: with UV 50+ sun protection, water-resistant and washable
