CONCORD CHILDREN'S PRODUCTS

MADE FOR THE MOST WONDERFUL PEOPLE IN THE WORLD

Children make us laugh, gasp in awe and sometimes pull our hair out. They provide us with moments of pure happiness, and sometimes also give us sleepless nights. CONCORD children's products are the perfect companions for the most wonderful people in the world.

You can find a variety of children's products in the three product areas DRIVING, MOVING and LIVING that can help you with everyday life: from child safety seats that "grow" with the child to flexible buggies through to smart and functional home accessories.

It is our pleasure to present to you our current 2013/14 collection in this catalogue. All CONCORD products are available in new, attractive designs. Brand new to the product range is the child car seat TRANSFORMER XT PRO, as well as the practical TWIST FORK for travelling. Go and take a look inside for yourself.

ENGINEERED IN GERMANY

CONCORD has stood for brand quality from Germany since 1978, which means that each individual product is developed in Germany to strict quality standards. In addition to their high quality and intrinsic value, CONCORD products feature sophisticated functionality and high design quality. This is proven time and again in various consumer protection and safety tests, as well as by a number of design awards.

With CONCORD, parents and children are perfectly equipped every day.

MADE FOR SMALL PASSENGERS

Time and again car journeys are a fascinating experience for children. The world flies by almost silently: trees, houses, people. With child car seats from CONCORD the little ones can fully relax and enjoy each car journey. The seats are designed for maximum safety and the highest level of comfort.

CONCORD AIR.SAFE

SAFETY IN TOP FORM: CONCORD CHILD CAR SEATS

From design to production, safety is always the top priority at CONCORD. Again and again, tests provide confirmation of the high level of safety offered by our child car seats. They score top marks year on year; CONCORD child car seats have even been distinguished as the test winner in its class on several occasions.

HIGH QUALITY: TESTED MATERIAL QUALITY

All used materials are continuously checked by CONCORD's quality assurance. Even reports by independent bodies attest to the very high quality of the materials in our products – hence the 'very good' result achieved by the CONCORD TRANSFORMER PRO in the testing for harmful substances category of the 2012 ADAC child car seat test.

THE CONCORD SYSTEM – THE RIGHT SEAT FOR EVERY AGE

With its complete, universal seat system, CONCORD has the right car seat for children of every age group. Each one of our car seat models is ergonomically designed to suit each respective stage of growth and development. Our seats will accompany your child in safety and comfort – from birth to 12 years old.

MADE FOR LITTLE ADVENTURERS

Going shopping or to the playground with mummy or daddy – it means the world to children. With every little excursion they learn something new, gain new impressions and broaden their horizons. Our buggies render parents and children mobile without limits. They are light, compact, versatile and of course very comfortable – because all that action can make you tired!

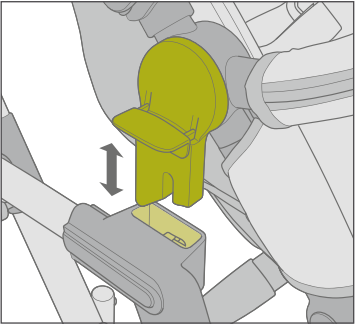

CONCORD **WANDERER**

MOBILITY WITHOUT LIMITS:
BUGGIES AND TRAVEL SYSTEM

The CONCORD MOVING range includes buggies for every lifestyle. From the extremely light and manoeuvrable CONCORD QUIX smart buggy to the incredibly versatile CONCORD WANDERER and CONCORD NEO TRAVEL SYSTEM buggies. Each buggy comes with a large number of practical accessories.

EASY TO SWITCH AND
HIGHLY VERSATILE: THE TRAVEL SYSTEM

Thanks to the TRAVEL SYSTEM adapter, CONCORD WANDERER and CONCORD NEO buggies can easily use various TS components. They can be attached and detached with absolute ease in a single operation. Combined with the carrycot or baby carrier, the buggy can be used like a real pram right from day one. Even the baby car seat can be attached to the buggy quickly and easily. For parents this means greater freedom of movement – any time, any place.

The **TRAVEL SYSTEM adapter** makes switching TS components fast and simple.

HIGH QUALITY:
FUNCTIONAL MATERIALS, TESTED QUALITY

CONCORD uses exclusively high-quality, child-friendly materials for its buggies and buggy components – materials chosen to fulfil their function perfectly. All used materials are continuously checked by CONCORD's quality assurance. CONCORD covers are free from hazardous materials and toxic substances, pleasantly soft and kind to the skin – creating the ideal conditions for maximum comfort.

ALL SUNROOFS WITH INTEGRATED SUN PROTECTION

CONCORD buggies and buggy components are equipped with UV-repellent materials. With sun canopies providing UV 50+ protection, baby is ideally protected against harmful radiation.

NEO TRAVEL-SET

EQUIPPED FOR ALL ACTIVITIES

The NEO TRAVEL-SET consists of the CONCORD NEO buggy and two coordinated TRAVEL SYSTEM components. The CONCORD SLEEPER 2.0 carrycot and the ultralight CONCORD AIR.SAFE baby car seat can be attached to the buggy in a single operation, thanks to the TRAVEL SYSTEM adapter. All sets with article numbers on pages 60/61.

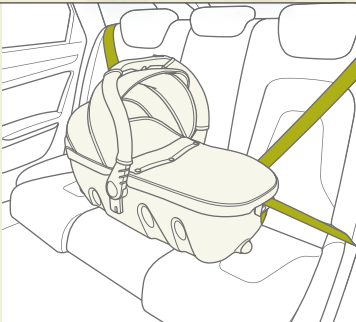

NEO + AIR.SAFE

NEO + SLEEPER 2.0

The NEO buggy:
The set contains practical accessories as standard: with a rain cover and an awning, you're equipped for all weather.

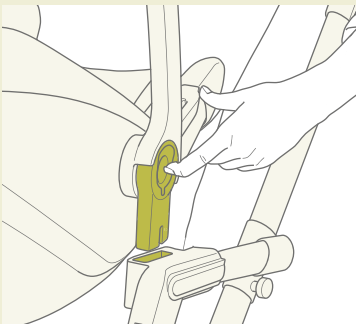

The stable SLEEPER 2.0 carrycot is easily and quickly attached to the CONCORD NEO buggy. It is also certified for use across the back seat of a car (group 0 / 0 – 9 months).

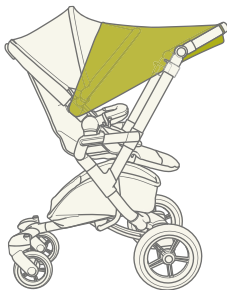

CARRYCOT SLEEPER 2.0

With the TRAVEL SYSTEM adapter, the AIR.SAFE baby car seat can be attached to the CONCORD NEO buggy in a single operation. Its low weight of only 2.9 kg means it can be carried and transferred from car to buggy effortlessly.

BABY CAR SEAT AIR.SAFE

Also included in the NEO TRAVEL-SET: the SUNNY awning protects the child from direct sunlight. Can be attached to the buggy quickly using straps.

NECK BOLSTER AND HEADREST:
with the aid of a neck bolster and an adjustable headrest, a baby's sensitive neck muscles and head are provided optimum protection.

USE AS A FRONT CARRIER:
at the beginning, babies should be carried in front. This way they feel closer to the person carrying them and their little heads have better protection.

USE AS A BACK CARRIER:
the back carrier version is recommended for babies aged six months and over to lighten the carrier's back.

+ PACKS UP SMALL:
ideal for taking away with you;
includes storage bag

Wide shoulder strap with cross-over belt guide to ensure optimum weight distribution

TWIST SPOON & TWIST FORK

HANDY, HYGIENIC CUTLERY FOR TRAVELLING

The travel spoon and fork are protected hygienically in their handles; they are easy to put together and to store away again cleanly after use.

- + Particularly hygienic
- + Ergonomic design makes feeding easier
- + 2 length settings
- + Dishwasher-safe
