TRANSFORMER T

Group: II/III / Weight: 15 up to 36 kg / Age: 3 up to 12 years

SAFETY THAT GROWS WITH THE CHILD AT THE TOUCH OF A BUTTON

The CONCORD TRANSFORMER T offers innovative technology at a convincing price. The seat is equipped with the VARIO-SIZE SYSTEM for convenient size adjustment. The headrest height plus height and width of the shoulder protectors are continuously adjustable – with pneumatic support – at the touch of a button. The CONCORD TRANSFORMER T is rounded off by a TWINFIX SYSTEM and a backrest with ideal seat inclination for comfortable sitting and relaxation.

Testresult 2010: overall mark 1,8 (Good) / „Very good“ in handling and comfort

The Eurotest, which is carried out by Stiftung Warentest, ADAC and ÖAMTC, is the most important annual assessment for the safety and quality of child car seats. In the test results the CONCORD TRANSFORMER T was the overall winner in its group, which included a total of 18 child car seats. It was given an overall mark of 1,8 (Good), which was the best overall test result achieved in the car seat group II/III.
